EXPERIENCE

Andela, Kigali — *Trainee in the ATPL Program*

December 2020 - February 2021

Assisted the training of graduate interns in development processes and the development of multiple web and mobile applications.

Menya Iot, Kigali — *Trainee*

August 2020 - December 2020

I have successfully completed a training on Internet of Things and Embedded technologies using Menya Iot Kit

EDUCATION

Adventist University of Central Africa, Kigali

December 2020 - Until now

Pursuing the dream of becoming a Senior Software Developer one day, I continue my academic studies at this University every day.

Saints Archanges, Ngozi — *Degree*

2008 - July 2019

Being a diligent student, curious and always motivated in what I was doing, I was able to finish my secondary studies with a good mention.
